Purpose and Audience:

The purpose of this Informational Memo is to inform county staff who assist residents in applying for Health First Colorado and other medical assistance programs of a correction to the Medicare Savings Programs webpage regarding eligibility of Colorado Indigent Care Program clients.

Information:

The Special Financing Division was recently made aware of an informational error on the Department's [Medicare Savings Programs \(MSP\) webpage](#) regarding the eligibility for Colorado Indigent Care Program (CICP) clients. The MSP webpage stated that the Department would not pay the Part B premiums for any person enrolled in Old Age Pension - State Only (OAP-State Only), Children's Health Plan *Plus* (CHP+), or CICP. While this is true for OAP-State Only and CHP+ members, it is NOT true for CICP clients. The MSP webpage has been corrected by removing CICP from the list of ineligible programs.
